Dear Aunt Carrie

Could have used more
animation this week, but
am enjoying it anyway.

I got your letter and check
and thank you very much, but
you know, what you had already
given me was more than
sufficient. For this reason I
have in mind returning the
check when I get home. Besides
the Hob-Nob treat, there
were three kinds of station-
ery, so you should have had
magnifying wings.

We're going to Kris' for dinner
tonight and had a wonderful
meal at Charles' Tuesday.
The week is going to fast.
